

**Warping Reel Kit HD New price \$325.00 my price \$125.00 plus shipping**

**Product Description (from Harrisville ad)**

Our Warping Reel has the capacity to wind up to 20 yards of warp and is completely collapsible for easy storage. It is made of solid hardwood with a butcher-block maple base. Designed for table top use, it is 2 yards around and has 30" of vertical winding space. Three adjustable spreader bars with removable pegs allow for maximum flexibility in the placement of crosses in the warp chain. Our reels include an innovative brake system that creates just the right amount of resistance for easy chaining off.
